ABOUT ME

My name is Claudia, I am Italian and I have always loved to travel. I have been published on and featured on (among others) Wanderlust Magazine, Matador, The Thought Catalog, La Nuova Sardegna, La Donna Sarda and Turisti Per Caso. I am a Kuhl Ambassador.

I launched My Adventures Across The World in September 2014 to document my travels, with a mission to inspire other travelers to follow their dream. My blog focuses on adventure and culture, with an ever stronger focus on volcanoes and responsible travel.

WHAT I OFFER

ORIGINALITY

I always look for hidden corners in any destination I visit; and I enjoy to get deep in the culture and life of the local communities. Furthermore, there's no other blog that has such a clear focus on volcano experiences.

PROFESSIONALISM

I help crafting marketing campaigns that promote destinations and services to my audience. My blog and posts are carefully optimized for search engines, to guarantee a steady stream of traffic for years to come.

QUALITY

I produce excellent, informative posts with great photos that inspire my readers to visit the destinations I talk about.
